GUIDANCE NOTES

- Use your full legal name exactly as registered with your PRO. If you do not yet have a PRO, complete the field as "None yet" and update it later once affiliated.
- Where a detail is not yet known, it is shown as —. Enter the release title if known; if not final, use the current working project title. If self-releasing, the label may be entered as "Independent".
- This split sheet confirms songwriting and publishing shares only. Master ownership and master revenue splits, if any, are not determined by this split sheet unless expressly stated in a separate written agreement.
